STRIKE PAY.

NEED FOR UNANIMITY
ESSENTIAL.

K. H. A. RESOLUTIONS.

Believing that unanimity is essential regarding the treatment of strikers when they return to the Kowloon Residents' Association passed the following resolutions at a special committee meeting held last night:

"That this Committee, being of opinion that some guidance should be given to householders and others whose domestic servants have absented themselves without leave during the progress of the so-called 'sympathetic strike' regarding the question of wages for the period, resolves as follows:—

(1)—That householders taking their servants back should refuse to pay any wages for the period during which their servants were on strike, but should pay wages for June according to the number of days worked, such payment to be spread over a probationary period of at least one week.

(2)—That copies of this resolution be sent to the English Press of Hongkong for favour of publication, together with an expression of opinion that all Kowloon residents whose servants went out on strike should treat their servants in the above-mentioned manner, as unanimity of action is obviously desirable.

(3)—That a copy of this resolution be sent to the Government and Peak Residents' Association for information.

CHURCH'S PLEA.

ST. ANDREWS AND THE STRIKE.

As the monthly organ of St. Andrew's Church, Kowloon, was in type before the strike began it makes its usual appearance to-day. A special notice calls upon the people to show a spirit of patience and quietness during this difficult time. "Let us each do our duty cheerfully, without grudging or criticism, serving each other and praying for peace with righteousness."

The magazine contains accounts of the activities of the Scout and Girl Guide troops attached to the Church.

From it too is to be learned that the Bishop, accompanied by Mrs. Duppuy, has left for a tour through the diocese and to take confirmations at Pakhoi, Lintow and Yunnanfu.

FIRE SERVICE.

GUARDING AGAINST INTIMIDATION.

In order that they will be able the more effectively to cope with intimidators who may attempt to influence them to leave their posts, the firemen on the main float at Hongkong have been sworn in as special constables and the "China Mail" understands that the opportunity will to-day be given the main body of firemen to comply with a similar precautionary measure.

COAL INDUSTRY.

(Reuter's Service.)

London, July 3. The miners' delegate conference has decided to resist the coal owners' proposals of revision of wages and conditions and to urge districts not to depart from national settlement, to accept nothing less than a wage to meet the increased cost of living, and also decided to reject any proposal of an eight-hour working day.

London, July 3.—Moscow and Warsaw give conflicting versions of a fight between Russian and Polish frontier guards on June 28, each accusing the other of invading their respective territories. Warsaw declares that thirty Russians were detained and interned, and Moscow asserts that the Polish forces burned down the Soviet frontier post.

STRIKE NEWS.

TELEPHONE MECHANICS CEASE WORK.

SERVICE UNAFFECTED.

Latest reports to hand regarding the local position are that the engineering trades have been further affected and that the linesmen of the Telephone Company are out to a man. It is not anticipated that the service will be interrupted, however.

The mechanics and office staff of the China and Japan Telephone and Electric Co., Ltd., have left work but as "China Mail" representative who made enquiries of Mr. H. S. Bennett, the Manager, was informed that the service was not likely to be affected.

Essential lines, said Mr. Bennett, would certainly not be affected and it was improbable that others would.

This morning European electricians were notified examining outside lines for faults and repairing any such.

The call-girls are not affected. Alleged Intimidators.

A street coolie was arrested by a Chinese detective yesterday for alleged intimidation of a gang of coolies working under police protection at West Point yesterday.

The accused was remanded when charged at the Central Magistracy this morning.

Another Chinese, a youth of seventeen, was also to appear before the Magistrate this morning on a charge of intimidating a servant at the Soldiers' Club to leave.

STRIKE ITEMS.

The Hongkong Hotel special bus service to Happy Valley and Causeway Bay ceased to operate as from this morning.

The cooks and coolies of the Government Civil Hospital have left work but their places are being taken by volunteers provided by the Labour Controller.

If permission is obtained from the Secretary for Chinese Affairs Chinese still at work are able to send more than five dollars out of the Colony in support of families in the country.

Motor boats are still to be hired at Blake Pier in spite of the fact that the operatives were among the first to join the ranks of the strikers. The charge made is \$2.60 per hour.

The high price of firewood and the absence from work of the forestry men has led to much destruction at plantations in the district. Heavy fines have been inflicted on those who have been caught in the act and brought before the Hongkong and Kowloon Magistrates.

Three services are being maintained on the tramway and these are in operation from 8 a.m. to 7.15 p.m. The ten minute services between Causeway Bay and Happy Valley are still in operation and a quarter of an hour service is also run between Causeway Bay and Quarry Bay.

Volunteers and civilians who have been on 24-hour duty shifts, but who anticipate having a little respite this week end, will welcome the announcement that Deep Water Bay Golf Course is to be open to-day and to-morrow. No meals are to be served, but drinks may be obtained at the Club house, where players will probably be called upon to give a hand.

In addition to the scavenging gang, consisting of 600 coolies, 300 others employed in varying capacities by the Sanitary Board have also absented themselves from work. The emergency service is operating as well as can be expected and street refuse is to be cleared twice a week. With regard to the disposal of night soil people will have to see to this according to the notice previously issued. The street manholes painted red can be opened and used.

The death of Mr. Archibald McIntyre, former Chief Officer of the H. P. O., a former vessel, was announced yesterday. McIntyre was born in Hong Kong and was a member of the H. P. O. for 12 years. He was married and had a family.

LAW TO SANCTION DELAY.

SETTLEMENT ARRANGEMENTS.

The official sanction of the postponement of the June Settlement from June 23 to July 14, is to be given at the Legislative Council on Thursday when the matter will come up in the form of an Ordinance.

The purpose of the Bill is to make valid, notwithstanding such postponement, every contract for the purchase of shares for the June settlement day and every contract for the carrying over of shares until the June settlement day.

During the period of postponement payment of interest is provided for in the Bill at the rate of 8 per cent. per annum.

ARMED ROBBERS.

Two gangs of armed robbers were active yesterday afternoon. At No. 328, Queen's Road Central they secured about \$200 in money and escaped.

The other robbery occurred in the Mongkok district, where four men raided a hut and stole \$114. One man was subsequently arrested by the police.

(Reuter's Service.)

Tokyo, July 3. This evening an official verdict published after the preliminary examination of Uchida Ryohel, the noted reactionary, and his accomplices, finding them guilty of plotting for the Premier's assassination and blowing up the Diet building as a protest against the Manchukuo Suffrage Bill. Owing to financial depression causing increasing discontent against the Government the Premier made a statement this afternoon proving that the former Government's policy was responsible and that he intended continuing the present economic policy.

AIR RACE.

SIR E. GEDDES'S PLANE WINS.

FOUR COMPLETE COURSE.

(Reuter's Service.)

London, June 28.

Captain Barnard, flying a Siskin 5 entered by Sir Eric Geddes was the first to complete today's circuit of Britain, starting at Croydon at seven o'clock.

Flight Lieut. Jones, flying a Siskin 4, Major Hemming, on a D. H. 37 and Hinkler all arrived at Croydon at subsequent intervals in the order named.

Fog played havoc with the round-Britain air race, no fewer than ten machines being forced to descend including Hinkler who landed at Workson. Most resumed but in addition Major Bulman and Captain C. D. Barnard (in Donoghue's machine) after descending at Luton and restarting, came down at Doncaster through magneto trouble and Captains Courtney and Baggs crashed at Newcastle.

Presently there were only four in the running, namely Captain F. L. Barnard, Flight Lieut. Jones, Hinkler and Major Hemming.

EARLIER NEWS.

Fourteen aeroplanes left Croydon at 6 a.m. to-day for a two-day race for the King's Cup, two circuits of the following course:—Harrogate, Newcastle, Renfrew, Blackpool, Bristol, and Croydon, a total distance of 1,600 miles.

A thick fog in places interfered with the early stages of the race. Three aeroplanes had to land, namely those of the Master of Sempill, Mr. Allan Cobham, and Mr. H. H. Perry, but they resumed the race later.

Major Bulman descended in a field at Luton with a damaged machine, and retired.

The competitors include Capt. C. D. Barnard, on a De Havilland machine; entered by Steve Donoghue, the jockey, which had "Come on, Steve" painted on the side in large white letters, and the Australian airman Berthelmer on an Avro.

NANKING STRIKERS.

(Reuter's Service.)

Nanking, July 3.

Students yesterday held up the Comprode of the International Export Company of Kiangsu because they understood that the Company's coolies, who were on strike, were willing to resume work unconditionally.

The Chinese Commissioner of Police took charge of the Comprode and detained him at Police Headquarters. Subsequently six unarmed British members of the Company's staff went to the station with a view to securing his release.

While they were present a hundred coolies invaded the police compound and forcibly rescued the Comprode.

The Police Secretary and a dozen Chinese Merchant Volunteers were slightly injured.

CORRESPONDENCE.

SERVANT REGISTRATION.

(To the Editor of the China Mail).

Sir,—I am glad to see that the Registration of the Chinese Domestic Servants is being asked for by the leading European papers. I must say we need the Servants' Registration very badly in Hongkong. Why do not the Government make it a law; they should have this Registration passed right away and not wait until the strike is over and all the strikers are back again in Hongkong and at their work. Then it will be too late.

I know very well that some of the Europeans do not like it, particularly the European Peak ladies. When the servants returned to work after the last strike in 1922, some of the ladies welcomed them back effusively. That is the very way to spoil these servants.

I would like to suggest that not only the domestic servants should be registered but also all richa coolies, all tramway men, both the lower and upper trams, all office clerks and coolies, messenger boys, all Chinese, "No. 1's" and foremen in dockyards, contractors and godown men, market stallholders, and shopkeepers and their folks. Passports should be required from all Chinese that come down from Canton and from other Coast ports, the passports to be obtained from the British Consulates of these ports. If this is carried out there will be fewer rogues, vagabonds and robbers in Hongkong. It will put a stop to the troubles, and it is the only way that will do it. There should be some restriction on the influx of bad characters into the Colony.

Yours, etc.,
SUN YUK-MAN.

"GLORIOUS FOURTH."

LOCAL CELEBRATION
TO-DAY.

The "At Home," usually held at the U.S. Consulate General, will not take place today (the anniversary of the Declaration of Independence) owing to local conditions.

A baseball game has been arranged to take place this afternoon between the Hongkong Baseball team and a team from the Simpson but if the vessel does not arrive in time one will be arranged between local Americans and the Club.

A menu card with a most appetizing list of viands has been received from the Hongkong and Shanghai Hotels. This is in connection with the special dinner held in the Grill Room to-night in celebration of the glorious fourth. The success which has attended the efforts of the Hotels Company to carry on "as usual" may be gauged from the fact that they are able to supply and serve the following:

Coupe Washington;
Clam Broth;
Canadian Halibut, Sauce Mouseline;
Noisette of Lamb Clamart;
Roast Turkey, Cranberry Sauce;
Mashed Potatoes;
Mashed Pumpkin;
Cold Asparagus, Mayonnaise Sauce;
Strawberry Ice Cream;
Dessert: Coffee.
